

## COMPLETION OF ATTACHEMENTS OF DESIGN CONTEST

Title of the procurement: **Revitalization of Františka Křížka Street – The Street for the '7th'**

Registration number of the procurement: **Z2017-033007**

Document number in TED: **473587-2017**

Contracting authority:

Name: **District of Prague 7**

Address: **Náb. Kapitána Jaroše 1000/7, Prague 7, ZIP Code: 170 00**

ID: **00063754**

Type of the contracting authority: **Municipality – a district of the capital Prague**

The contracting authority (further also as "Authority") provides following additional information and clarification of the procurement documents in accordance with § 99 of the Act no. 134/2016 Coll., On Public Procurement (further also as "Act"):

**1) Supplementation of the attachment C4 with particular pictures of streets**

The Authority supplements compressed pictures of surrounding streets, see the new attachment C4.1 (ZIP file).

**2) Interchange of attachments E**

The Authority replaces the attachment E4 named "Sworn statement on fulfilment of professional qualification requirements" to a new attachment named "Sworn statement authority to contract", see the Attachment no. E4.

**3) Supplementation of the contest documentation with documents in English**

The Authority supplements attachments E with English version intended to use for foreign contestants, see attachments E2 to E4 in English.

**4) Supplementation of English titles to attachments of the contest documentation on the buyer profile**

The Authority supplements English titles of attachments to documents published on the buyer profile in order to provide better orientation to foreign contestants.

**5) Unification of the Authority's requirement on the amount of investment costs of construction**

The Authority unifies the requirement **of maximal investment costs of construction to the amount stated in the Attachment A of the contest documentation, i.e. to 20 million CZK without VAT**, compared to the amount stated in the Attachment B of the contest documentation.
